On Arrival:

Your dog remains your responsibility until you have booked in with a member of Bramshall Boarding Kennels staff at reception and handed your dog over to a member of staff. No dog will be accepted unless proof of vaccinations (including kennel cough) is provided either before or on arrival at Bramshall Boarding Kennels. Any dog arriving without proof of all vaccinations will be refused to stay with us. We do not accept titre testing as an alternative to vaccinations.

All dogs must be up to date with anti flea/tick treatment and wormer.

You agree to supply enough food for the duration of your dog's stay, if any additional food is required during your dogs stay you agree to cover the cost of this on collection. Any dog arriving with no food for the duration of the stay will incur feed charges of £3/day per dog.

Payment:

When you make a booking request by email, in person, or by telephone, your booking is not confirmed until we have received either a 30% deposit or £20, whichever is greater. This can be made over the phone with us or via BACS payment. The balance of payment is due either on arrival or departure.

Payment methods accepted are cash or card payments, we do not accept cheques.

Pricing is reviewed annually and is subject to change immediately however, if you already have a booking with us prior to a price increase we will honour the prices at the time of booking.

If you choose to collect your dog before the end of their arranged departure date, the total charge will still stay the same due to their kennel being allocated for their entire stay.

Damage:

The cost of any damage to the kennels or the beds which causes them to be in an unusable state will be chargeable to the customer.

Cancellations:

Deposits are none refundable unless you give notice of 14 days prior to your dogs arrival date.

Veterinary Procedure:

You must declare any existing or ongoing medical conditions prior to your dogs stay. We reserve the right to refuse any animal who is not fit for boarding at our discretion. You authorise veterinary treatment to be carried out should it be considered necessary at our discretion during the period of boarding with us.

Our registered vets are Glenthorne Veterinary Centre, Uttoxeter. Our utmost priority will be the care of your dogs, should your dog need veterinary attention during their stay we will endeavour to contact you first and then arrange to see our vet. If we deem it an emergency or are unable to make contact with you we will seek veterinary attention at our own discretion and continue to try to make contact with you.

If you are a member of Glenthorne Veterinary Centre yourselves the bill will be put onto your personal vet account. If you are not a member of Glenthorne Veterinary Centre and we need to pay upfront for you dogs care in your absence then we request immediate reimbursement upon your return.

Although we make every effort to ensure your dog is cared for to our usual high standard we cannot be liable for loss, injury or death.

Bramshall Boarding Kennels do not accept in season bitches.
